Disabling Pop-Up Blockers

In order to launch online courses all pop-up blockers may need to be turned off / disabled. This guide will walk you through disabling pop-up blockers on the most common browsers.

Internet Explorer (IE)

1. Click the Gear icon on the upper right corner of your browser, then select Internet Options.

Chrome

Mozilla Firefox
2. From the **Privacy** tab, uncheck **Turn on Pop-up Blocker** and click "OK".

3. Alternatively you may wish to set your browser to only allow pop-ups from COR Learning. Next to the Pop-Blocker go to **Settings**.
4. Type in the URL of the site you wish to allow pop-ups from and click **Add**. By adding [http://thecentertp.rc-hr.com](http://thecentertp.rc-hr.com) to the list of allowed websites, your browser will allow any pop-ups from the COR Learning while it continues to block pop-ups from other sites.

Disabling Pop-up Blockers in Chrome is the same whether you are using a PC or Mac computer.

1. **Click** the Chrome Menu icon

2. **Go to** Settings

3. **Click** “Show Advanced Settings” at the bottom of the page
4. This will expand the page even more, find **Privacy** and click **Content Settings**.

5. Scroll until you find Pop-Ups, **Select** “Allow all sites to show pop-ups” then click **Done**.
6. If you do not want to allow all sites to have pop-ups go to Manage Exceptions

7. Add the URL of the sites you wish to allow pop-ups from. Then click Done.

By adding http://thecenterp.rc-hr.com to the list of allowed websites, your browser will allow any pop-ups from the COR Learning while it continues to block pop-ups from other sites.
